"WEAPONISATION" OF AID IN GAZA

Thursday that Israel's rolles for aid groups working in the Gaza
Strip and occupied West Bank will block much-needed relief
and replace independent organisations with those that serve
Israel's political and military agenda – charges that Israel

it as a too to entrench control. The groups were responding to
registration rules announced by Israel in March that require
organisations to hand over full lists of their donors and
Palestinian staff for vetting. The groups contend that doing so
could endanger their staff and give Israel broad grounds to
